The Allen Eaton Panel company seks to collect \$8,690.39 from D. A. Appling & Sons, a partnership, in a bill

But they allege, there still remains 150,346 feet undelivered on the con-tract, and they seek to collect.

DEATH ENDS CASE.

filed in chancery court Monday. The complainant alleges that the defendant partnership contracted to deliver to them 200,000 feet of gum logs, at \$28.50 a thousand; that later, after 23.624 feet had been delivered, they permitted the Appling firm to boost the contract price to \$30.50 per thousand.

WALSH SAYS:

We have solved the hot weather clothes problem-

"Newport" is a silky looking and feeling fabric that we get from Bradford, England.

It is as thin as Mohair or Palm Beach, but tailors and holds its shape like a heavy weight.

It's a worsted—and is positively the best looking, coolest and most serviceable summer suiting in the world.

That covers a lot of territory, but you know this house is not given to making extravagant claims.

It's the suit without a laundry bill.
